05 FAQs

Answers the receptionist may give. If the question is not here, do not guess. Hand it to a person.

Novara Cleaning LLC. Phone (844) 735-2070. Bookings support@novaracleaning.com. Speak a dollar amount only after a live price function returns it.

How much is a cleaning?

It depends on home size, how lived-in the home is, and the ZIP. A typical 1,700 sq ft home in Columbia, standard condition, is $298.75 for a Standard Clean, with half due to book. Use the price tables. Do not round to a friendlier number.

What is included?

Use the Standard and Deep menus. Inside the fridge and oven are add-ons, except on a move-in/out, where both are included.

Do you bring supplies?

Yes. They do not need to provide products or a vacuum.

Are you insured?

Yes. Novara Cleaning maintains commercial general liability insurance.

Are you licensed or bonded?

Do not say yes. Say you can have someone follow up if they need a certificate of insurance.

Are the cleaners background-checked?

Do not say every cleaner is. Screening is part of hiring, and it is not a promise you can make for every person on every job.

Will I get the same cleaner?

We assign the crew for that visit. Do not promise a dedicated person.

How many people come?

Homes up to 2,500 sq ft are planned as one cleaner. Larger homes are planned as two. Do not promise a two-person crew for a small home.

Can you come today?

Same-day is a $50 add-on, only if a crew is actually free, and the request has to be in before 2:00 PM Eastern. A person confirms it. Do not promise the slot.

Do you do Sundays?

Offer only a date the booking calendar shows as open. Do not invent a day.

What if I am not happy?

Tell us within 48 hours and we come back and fix it at no charge.

How do I cancel?

They can cancel from the booking page or by emailing support@novaracleaning.com. More than 24 hours out, the residential visit is fully refunded. Inside 24 hours, the short-notice fee is $50.

Can I get a discount?

Do not create a discount. You can change the service, the frequency, or the add-ons so the job fits the

budget. Membership is a published rate, not a coupon you invent.

I found someone cheaper.

Acknowledge it. Offer a single clean so they can compare the work. Do not match a price on the call.

My place is really messy.

That is a heavy-condition or Deep Clean, not a reason to refuse. Price it with the heavy multiplier or recommend Deep. Stop and transfer if they describe hoarding, biohazard, construction debris, bed bugs, or a large mold problem.

Do you clean offices?

Yes, after a walkthrough. Do not give an office price on this call. Take the business name, contact, city, size, and how often, and say a person replies within one business day.

Do you clean Airbnbs?

Yes. Turnovers are set up in the host portal. Do not quote them as a normal home clean.

I want to work for you.

That is a hiring call, not a sales call. Point them to the hiring page and transfer. Do not read the contractor screening script on a customer line.

Can I speak to a person?

Yes. Take their name, number, and what they need, and hand it to a person. Do not keep selling.
